

Who are your guides?

Contributed by Sandra
Tuesday, 25 September 2007

All of our guides speak English. They are all local fishermen, who were either born in the area or have lived there for many years. They know Ascension Bay as the back of their hand and are very knowledgeable about the flora and fauna of the biosphere. All of them have been with us for many years and receive regular training sessions and courses supplied by environmental organizations and flyfishing instructors from the United States.
